

## LINEAR CLASSIFIERS IN PYTHON

# Conclusion

Michael (Mike) Gelbart

Instructor

The University of British Columbia

# How does this course fit into Data Science?

- Data science
  - --> Machine learning
    - --> --> Supervised learning
      - --> --> --> Classification
        - --> --> --> --> Linear classifiers (this course)

## LINEAR CLASSIFIERS IN PYTHON

**Congratulations  
& Thanks!**
